Subject: Missing two 213RRs for Harvey
Date: Monday, October 2, 2017 10:55:44 AM

Althea and Monica,

Upon review of my Harvey file, I see that I never received copies of the 213RRs for the first two funding obligations for the START TO4 Harvey response.

The first obligation was for \$500,000 on 8/31 and added funding to TO4 for the initial Harvey response that was verbally authorized on 8/29. The funding was used to initiate the Alpha, Bravo, Charlie, REOC, and Arkema TDDs. The second obligation was also for \$500,000 on 9/6 and added funding to the same TDDs.

Please let me know if you have any questions. Thanks!
